

Parents,

You are being sent your child's logins for the many on-line educational sites that we use at the school. The following letter will explain how to log into each one so students can continue home learning.

Go to www.tceagles.com which is the school's homepage

Click on Faculty and Staff on the banner towards the top

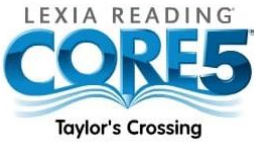

Click on the picture for Mary Meyer or the webpage link below Mary Meyer's picture

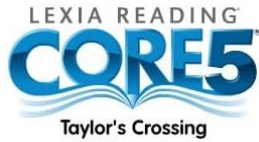

This will take to the Computer Applications homepage for ALL grade.

Select your student's grade and find the item / website / link you are looking for.

Lexia – Lexia Reading Core5:

Kindergarten, 1st Grade, 2nd Grade, 3rd Grade, some 4th Grade students

Click on the  and use your child's login information to get into the program

i-Ready:

Kindergarten, 1st Grade, 2nd Grade

Click on the  and use your child's login information to get into the program
** When logging into i-Ready, please select Idaho BEFORE logging in

Think Through Math:

3rd Grade, 4th Grade, 5th Grade, 6th Grade

Click on the  and use your child's login information to get into the program

Google Accounts:

4th Grade, 5th Grade, 6th Grade

Click on the  and use your child's login information to get into the program
When logging into the student's school Google accounts, you **MUST type everything, including the @tceagles.org and then your student enters their chosen password. The students **NEED** to know **their password**. Our Google School administrator can only reset the password, not look it up. Please contact your teacher if you need help with logging in.

The 4th – 6th grade students have been using their Google accounts in computer class and they know how to find posted assignments. As always, direct questions to your teachers for assistance.

Typing.com:

Click on the  and use your child's login information to get into the program
