MUSIC: Feature background music.	Incorporated music - add a short bit of music (5 second background music to one slide)					Did NOT incorporate music	I will give you a 5 second music file to add to one slide somewhere in your presentation / video
REFERENCES: Minimum of 2 different websites - APA style reference on the LAST slide of presentation	Had a reference slide at the end of presentation with 2 references - reference is APA style		Had a reference slide at the end of presentation with 1 references - reference is APA style			DID NOT show references at the end of presentation	We will go over how to create APA references - keep track of the websites you use - WIKIs NOT ALLOWED (Why?)
TEXT & SPELLING:	Text is spelling and grammar free	Text has 1-3 spelling and / or grammar errors	Text has 4 - 6 spelling and / or grammar errors	Text has 7 - 9 spelling and / or grammar errors	Text has more than 10 spelling and / or grammar errors		Use the spell check feature
TEXT & PLAGARISM:	Project was done in your own words - NOT COPY and PASTED		Project had 1-2 slides copied from a website that isn't cited				Do not copy and paste from websites. If you use a direct quote from your president, please make sure you put it in quotation marks. If you want to copy and paste a part of it make sure you CITE the website exactly where you copy and pasted it to. You may NOT have more than 2 slides with direct copy and pasted material from websites. Put everything IN YOUR OWN WORDS
EFFORT: A, C, or F effort?	Project was done with an obvious effort to do well and to do it correctly .		Project was done with some effort to do well and to do it correctly.			Project was done with an obvious lack of effort. It seems as if it was thrown together to just get the job done.	Getting a 5 in this category is EASY. Put in an effort. Make the presentation something you are proud of. Use the tools and just make it look great!
