

Project 1

My First, VERY Basic, Website

50 points

Assignment:

Create your first website using html. This is just a very basic website.

** There really is no formatting so your website will just be a long line – formatting is yet to come**

Items to include:

*** *MINIMUM of each – you are welcome to use more* ***

1 point tags / elements to use:

- 5 line break tags = 5 points
- 1 body tag = 1 point
- 3 paragraph tags = 3 points
- 1 center tag = 1 point
- 2 bold tags = 2 points
- 1 Italics tags = 1 point
- 1 underline tags = 1 point
- 1 superscript = 1 point
- 1 subscript = 1 point

2 point tags / elements to use:

- 1 head tag = 2 points
- 1 title tag = 2 points
- 3 headings <h1> <h2> etc. = 6 points
- 3 different fonts = 6 points
- 3 different font colors = 6 points
- 3 different font sizes = 6 points
- 1 link to a website = 2 points
- 2 pictures = 4 points (1 from a file and 1 from a different website)

EXTRA CREDIT – 5 points extra for using 5 or more comments
