

Project 2

My Second and still basic,
Website about Music
58 points

Assignment:

Create more webpages using html. You will have a total of three pages. This time I pick the topic: MUSIC – modern, pop, rock, classic rock, classical, foreign music.

Items to include:

See the list of Minimum requirements. You this is just the basics for this assignment and you are welcome to use more.

Using links (<a href>)

You will have a main.html (a.k.a page1).

Page 1 will have a link to page 2 AND page 3.

Page 2 will have a link to page 1 AND page 3.

Page 3 will have a link to page 2 AND page 1.

1 point tags / elements to use:

- 1 head tag on each page = 1 point each = 3 points total
- 1 title tag on each page = 1 point each = 3 points total
- 1 link to the two other pages = 1 point each = 6 points total
- 2 headings <h1, h2, h3, h4, h5, or h6> per page = 1 point each = 6 points total
- At least 1 body tag per page = 1 point each page = 3 points total
- At least 1 paragraph tag per page = 1 point each page = 3 points total

2 point tags / elements to use:

- 1 block paragraph on each page = 2 points each = 6 points total
- Each block paragraph has different color background and different colored text = 2 points each = 6 points total
- Each page has a different COLORED background NOT a picture = 2 points each = 6 points total
- At least ONE picture per page = 2 points each = 6 points total

12 points:

- Is the page, at first glance, physically organized (nice and neat) (+2) or is it confusing (-2)?
- Is the background color a distraction (-1 point) or a nice addition (+1)?
- Did you use proper and correct spelling and grammar (+2)?
- Are the links working (+2) or not working correctly (-2)?
- Does the content follow the assignment – MUSIC (+5)?
