

# Weebly Website

## SUBJECT: Your choice

- 12 pages TOTAL
  - Homepage
  - 3 TOPIC pages
    - 2 “subtopic” pages under each TOPIC page
  - 1 page that is a forum
  - 1 page that is a contact page – must link to your email

### ***PLENTY TO CHOOSE FROM:***

- title – text – image – gallery – slideshow – map – contact form – embed code
- STRUCTURE: spacers – dividers – button – search box
- MEDIA – YouTube – Document – File (something other than a doc)
- MORE – survey – forums – poll

### **Include the following:**

- Title on each page
- Text on each page (enough to be interesting)
- Images / pictures on each page
- Use spacers and dividers on each page
- At least 3 buttons throughout your website
  
- Search box somewhere on your homepage
- Gallery
- Slideshow
- Map
- Youtube video (educational video)
- Document for visitors of your website to download (.doc or .pdf)
- Survey or poll
- Embed code (1 item that uses embed code and use your vast html knowledge)

### LITTLE THINGS to include:

- 6 links to “outside” websites
  - (link can be on text or on an image / picture)
- Links to your other pages
  - Buttons would be good for this step
- Bulleted list OR numbered list
- Fonts: different sizes, colors, and font styles – centered, left align, and right align (KEEP IT INTERESTING!)
